[Libbey Perfect For Everything Stackable Stemless Glasses, 17-ounce, Set of 6](#)

Just as the name suggests, this glass is perfect for any wine, spirit or beverage you can think of. And while it follows the popular stemless wine glass trend, the Perfect for Everything glass has a unique tulip shape and coveted space-saving stackable feature.

Traditional stemless wine glasses have a rounded outward radius which can be difficult to pick up and hold comfortably. The Perfect for Everything glass has a tulip design -- a wide bowl at the base that gently funnels to a narrow top. This shape is ideal for wine as it encourages aromas to filter to the top, allowing your favorite varietal to breathe while also providing the tool for proper swirling. The shape also enhances the bourbon tasting experience by stimulating alcohol evaporation in your bourbon or whiskey of choice so the true nature of the spirit shines through.

Intentionally designed with both functionality and grace in mind, the Perfect for Everything glass' simplistic European flair is only matched by its practical stackability. The base of the glass is engineered to seamlessly stack, saving space in your cupboard or bar area. The ledge created by the elevated base also makes it easy to swirl wine or whiskey in hand, and pick up from the bottom when setting on a table.

The Perfect for Everything Glass is an all-in-one refresh to your glassware or barware collection. Whether you're looking for a new wine, bourbon or rocks glass -- or you need to replace your everyday tumbler -- this 6-piece universal set is the perfect solution.

Featuring:
